WE LOVE OUR LITTLE LAMBS

Three and four year olds are active learners. Classroom activities are designed to enhance every area of early childhood education. Intellectual, physical and social development all occur through hands-on learning experiences. Books are an integral part of the classroom, all language, pre-reading and writing skills are encouraged. Cooperative play and working with others are also important aspects of learning.

PreKindergarten and Preschool Activities: Daily Bible stories, Weather and Calendar activities (counting, number line, days of school), Center time with manipulative: counting, sorting, classifying, painting, and fine motor skills of cutting, hole punching, gluing, name printing, coloring. Snack provided by school. Children may pour and count out the appropriate number of snack and juice for themselves. Story time enhances good listening skills, auditory sequencing, vocabulary and letter recognition. Playground activity is included daily (weather permitting). Also, once a week Chapel and Music.

Toddlers and two year olds are growing rapidly. Stimulating classrooms for toddlers and twos does provide opportunities for learning activities. Comforting routines, loving teachers and small class size help little ones adapt to belonging to a small group. Active exploration through play, within a safe environment, is how little ones learn best.

Mother's Day Out (MDO) Activities: Daily Bible stories, center time, snack, playground, arts & crafts, music, songs and finger plays. Lunch and rest/quiet time (required).

Fun Friday Class: An extra day filled with fun activities including Bible stories, center time, snacks, playground, arts & crafts, music, songs, finger plays. Lunch and rest/quiet time (required).

All Classes: We also celebrate Splash Day, Fall Fun Days, Thanksgiving, Christmas, Teddy Bear Days, Go Texan Day, Valentine's Day, Easter, and Bike Day. We have community visits from the Cy-Fair Fire Department, Ronald McDonald, The Mobile Dairy classroom, and end of year picnics. We cook with preschool students every week. Our party days are celebrated with games, party favors, and lunch.
