Tuition Assistance (K-8th Grade)

Epiphany Lutheran School offers Tuition Assistance to families demonstrating a genuine financial need. In order to apply, you must complete an application through your FACTS Tuition Management Account. Applicants must apply every year during open enrollment (mid-January to mid-April). Epiphany does not review Tuition Assistance applications for new students until they have been accepted into the school.

All supplemental documentation and forms must be submitted to FACTS in order for the application to be reviewed. Once applications have been reviewed by FACTS, a recommendation is made for award if the proper criteria are met. Applicants will be notified of their financial aid status after recommendation is reviewed by the School Board. There is no guarantee that assistance will be approved or continue at the same level each year.
